Wania earned the Secondary Category (Art Work; Witchy Castle) and Warda earned the Primary Category (Art Work; Sea Tortoise).

AGS has been shortlisted for the Edu Tech 360 Summit and Awards- Best Network Infrastructure Project Award. Congratulations to the IT department.

The High School Drama class presented Fairy Tale Tableaus to elementary classes this month as part of their course curriculum. A *tableau* is a living picture or a series of pictures depicting a scene with one or more persons costumed and posed. Groups put on an entertaining performance demonstrating Little Red Riding Hood, Jack and the Beanstalk, Hansel and Gretel, The Three Little Pigs, Goldilocks and the Three Bears, and Cinderella. We were also very appreciative of having a welcoming audience during each presentation to make their first public performance a success! I am proud of the students so far and look forward to further performances in the future. Stay tuned for more to come!!

Ms. April Lane - High School English/Drama

March started with a “Rumble” in KG with the children engaging in various fun-filled and exciting activities. The theme for the month was “Rumble in the Jungle”.

The children were encouraged to develop an understanding of jungle/safari animals. They were given many learning experiences to help them to explore and learn more about the different animals. They played games, read books, sang songs, and learned about the different names of the animals, their physical features, where they live, and what they eat.

On Tuesday 5th March KG celebrated “Jungle/Safari Dress-up Day”, which perfectly summed up the theme. The children had an exciting day talking about who they were, showing off their costumes, and going on a pretend safari and hunting session. They also enjoyed singing during our parade recreating the sounds of the jungle animals. This provided an opportunity for language development and conversations with the children. The KG team would like to take this opportunity to thank all parents for their continued support.

Ms. Leona McAuley- KG2 Homeroom Teacher

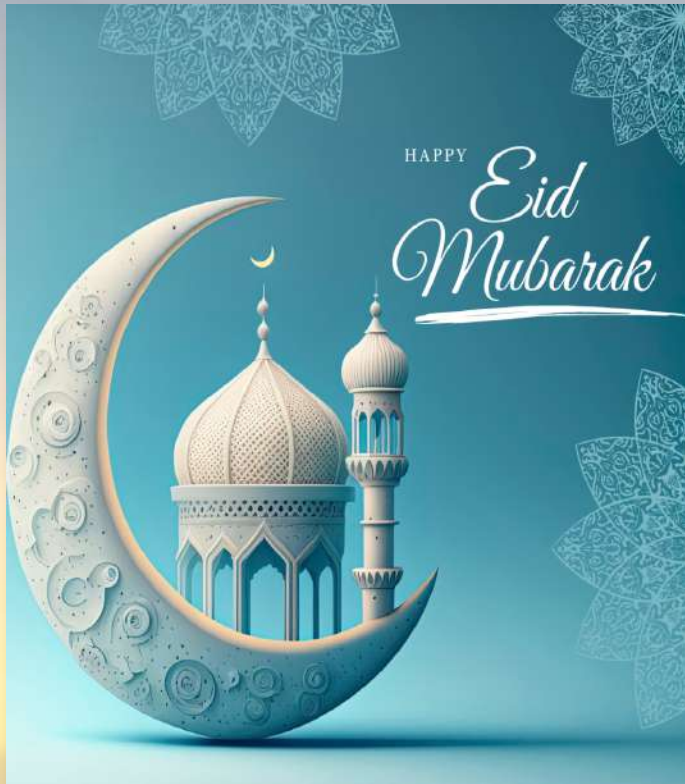

Despite facing tough competition, our incredible team showcased exceptional sportsmanship, teamwork and a determined attitude prioritizing #passion, collaboration and learning over the final score. Now they embark on a remarkable journey to the final tournament! Let's show our team unwavering support as they head into the finals, not just to win, but to demonstrate the true essence of sportsmanship and growth.

Ms. Lakra –PE Teacher and U15 Girls Football Coach
